"ABSOLUTELY AMAZING."

It was very well organized, guides Koru and Carrie were very knowledgeable about the areas we visited and it was great to get a feel for what New Zealand is all about. I loved staying in some of the smaller, less known areas, and the choices of hikes were fabulous and really highlighted the beautiful nature in New Zealand. We also lucked into some great weather, especially for it being so close to winter, and I knew I was seeing some amazing sights when both guides were out snapping pictures right alongside us! This was definitely a trip of a lifetime and one I will always look back on with a huge smile on my face. I would come back in a heartbeat!"

~ Jacqui S. - British Columbia, Canada - June 2018

"COULDN'T HAVE BEEN BETTER"

The trip was a great way to see the range of different terrain of the South Island without having to worry about logistics like driving and finding trailheads on my own! With great fall weather and wonderful new hiking buddies, this was an unforgettable adventure! On top of that, my guides were so much fun and had lots of history and stories to share along the way. Couldn't have had a better trip.

ITINERARY

DAY 1 ARRIVE - KAIKOURA PENINSULA

0.5-1 hours hiking

Most people leave the Northern Hemisphere on a Saturday evening, arriving in Auckland early Monday morning. You'll lose a day crossing the dateline - but you get it back on the way home! It's a short flight from Auckland to Christchurch on the South Island where we'll meet you. You'll start your trip by travelling up the coast, stopping off at Gore Bay for a picnic lunch, and exploration of the rugged coast with its fresh air. You'll continue onto the seaside town of Kaikoura, passing weathered limestone cliffs, where we can walk to view fur seals basking on the rocks and playing in the eddies from a look-out point. This stretch of rugged coastline that was uplifted in the Kaikoura earthquake - it's amazing to see this brand new land! Today is a relaxed introduction to New Zealand. Depending on where you're coming from, you'll probably find jetlag is no big deal. It's a 12 to 13 hour direct overnight flight from the West Coast of the USA to Auckland so you'll appreciate the gentle start to your New Zealand adventure. *Accommodation: Sudima Kaikoura, Kaikoura. Includes lunch and dinner.*

DAY 2 START MULTI-DAY OPTIONS

From Kaikoura, we'll travel along spectacular coastline for a couple of hours to Blenheim, a town in the Marlborough wine region. We'll visit Forrest Estate Winery to sample some of their fantastic wines and have a picnic lunch before we head off for our various activities.

Active Option - Nelson Lakes Comfort Hiking:

Saint Arnaud to Lakehead Hut, 11km/3-4 hours hiking

Your hike begins in the charming village of Saint Arnaud, on the edge of Nelson Lakes National Park. This is serious wilderness country, with incredible views and marvelous solitude. The park straddles the upper Southern Alps, an area composed of beech forests, big lakes and even bigger mountains. You'll hike the relatively gentle trail through the forest alongside Lake Rotoiti to Lakehead Hut and jetty. From here, we'll board a water taxi to take us back to St Arnaud, where you'll stay for the next couple of nights. *Accommodation: St Arnaud Lodgings, St Arnaud. Includes breakfast, lunch and dinner.*

Challenging Option - Nelson Lakes Backcountry Hiking:

Saint Arnaud to Lakehead Hut 11km/3-4 hours hiking

The Nelson Lakes Backcountry Hiking option begins in the charming village of Saint Arnaud, on the edge of Nelson Lakes National Park. This is serious wilderness country, with incredible views and marvelous solitude. The park straddles the upper Southern Alps, an area composed of beech forests, big lakes and even bigger mountains. You'll hike the relatively gentle trail through the forest alongside Lake Rotoiti to Lakehead Hut, a small mountain cabin at the head of the lake and our home for the night. Our guides are pretty tough and they'll carry the lion's share of the load. All you'll be carrying is a backpack with your sleeping bag, a few spare clothes, and a share of our food. To protect this beautiful and fragile environment, we always keep our group sizes small and our exact route flexible. *Accommodation: Lakehead Hut, Nelson Lakes National Park. Includes breakfast, lunch and dinner.*

DAY 3 MULTI-DAY OPTIONS CONTINUE

Active Option - Nelson Lakes Comfort Hiking:

Coldwater Hut to Saint Arnaud 14km/4-5 hours hiking

After breakfast, you'll return by water taxi to the top end of the lake, and this time you'll arrive at Coldwater hut and jetty – just across the river from Lakehead hut. From here you'll follow the trail as it gently winds its way around Lake Rotoiti to Whisky Creek, and the beautiful Whisky Falls. Feel free to fill up your water bottles from Whisky Creek, but it IS only water, honest! After a picnic lunch on the lakeshore, you'll continue on to West Bay and loop back to St Arnaud for the evening. *Accommodation: St Arnaud lodgings, St Arnaud. Includes breakfast, lunch and dinner.*

Challenging Option - Nelson Lakes Backcountry Hiking:

Lakehead Hut to Angelus Hut 10km/6-8 hours

Today is an unforgettable day – the scenery gets better with each step! You'll follow the Travers River through beech forest, before heading up the Hukere Stream towards the ridgeline. This is a challenging hike, with an elevation gain of 1000 meters (3280 feet), but it's absolutely worth it. The Angelus Circuit has exceptional scenic diversity, so it provides a great reward for the efforts you put in. There's no rush and your guides will be there to encourage you the whole way. It's a tremendous feeling at the top when you reach Angelus Hut, nestled beside a gorgeous alpine lake. Many people tell us this hidden gem was the highlight of their New Zealand adventure, and a lot of Kiwis prefer the Angelus Circuit to better-known tracks. *Accommodation: Angelus Hut, Nelson Lakes National Park. Includes breakfast, lunch and dinner.*

DAY 4 LAST DAY OF MULTI-DAY OPTIONS

Active Option - Nelson Lakes Comfort Hiking:

Hike Roberts Ridge 10km/4-6 hours

After breakfast, don your hiking boots and set out for this morning's walk. You'll explore the beautiful peninsula track, stretching out into Lake Rotoiti, before making our way to the Pinchgut Track. This trail gives access to Mt. Robert, and Robert's Ridge, where the rest of the group will be approaching from the Angelus Circuit. You'll wind our way up the trail through the native beech trees and manuka scrub to Page 5 / 12 meet the group. Once we're back together we'll enjoy a picnic lunch, before carrying on to the West Coast. After regrouping in Saint Arnaud, we'll head across the Southern Alps to the West Coast – a dramatic and rugged coastline stretching 600 kilometers (372 miles), with a population of only 40,000 people. You'll mingle with the 'coasters' tonight in the seaside village of Punakaiki, exchanging tales of our adventures over dinner.

Challenging Option - Nelson Lakes Backcountry Hiking:

Angelus Hut to Lake Rotoiti 11km/4-6 hours

Wake up on top of the world! After breakfast, you'll hike out along the barren Robert Ridge with dramatic views of Tasman Bay and the mountainous Kahurangi National Park in the distance. You'll descend below the tree line again into native beech forest completing our hike on the shores of Lake Rotoiti. Here, you'll meet up with the Rotoiti Circuit explorers and share stories of our adventures, before carrying on to the West Coast. After regrouping in Saint Arnaud, we'll head across the Southern Alps to the West Coast – a dramatic and rugged coastline stretching 600 kilometers (372 miles), with a population of only 40,000 people. You'll mingle with the 'coasters' tonight in the seaside village of Punakaiki, exchanging tales of our adventures over dinner.

Regroup (afternoon) Finish multi-day options

Accommodation: Scenic Hotel Punakaiki, Punakaiki. Includes breakfast, lunch and dinner.

DAY 5 PUNAKAIKI RAINFOREST - HOKITIKA

6km/3 hours hiking

Spend the morning hiking the Inland Pack Track through temperate rainforest and limestone canyons, following in the footsteps of gold miners who established this trail over a century ago. While we're in Punakaiki, you'll also check out the famous Pancake Rocks and blowholes – aptly named limestone formations that have been sculpted through the relentless pounding of the Tasman Sea. Traveling along the scenic coastline, we'll stretch our legs in Hokitika and check out local art galleries and pounamu-carving workshops (pounamu is Maori for jade), before carrying on to the township of Franz Josef where we'll stay for the next couple of nights. Nestled in the rainforest-clad foothills of the Southern Alps, Franz Josef is the heart of New Zealand glacier country. *Accommodation: Rainforest Retreat, Franz Josef. Includes breakfast, lunch and dinner.*

DAY 6 OKARITO LAGOON - COASTAL FOREST AND BEACH

2-4 hours kayaking, 4.2km/1-2 hours hiking

This morning we'll take a short journey over to Okarito, a little-known beach community on the coast. You'll take to the water in sea kayaks and glide along a picturesque lagoon, set against a stunning backdrop of snow-capped peaks. Okarito is home to the only native white heron colony in New Zealand, as well as a host of other interesting birds. Later we'll head back to Franz Josef where you'll have the option to take another walk or relax in the hot tub, before enjoying a traditional Kiwi roast dinner. *Accommodation: Rainforest Retreat, Franz Josef. Includes breakfast, lunch and dinner.*

DAY 7 HIKE NEAR FRANZ JOSEF GLACIER

8km/5-6 hours or 12km/4-6 hours hiking

With some 140 glaciers making their way down from the Southern Alps, this area is fittingly known as glacier country. Few sights equal the spectacle of two of these giant frozen rivers (Franz Josef and Fox Glaciers) imperceptibly grinding their way down through temperate rainforest to just 250 meters (820 feet) above sea level. We'll spend most of the day near Franz Josef Glacier hiking up through the forest to get incredible views of the ice. Wet weather can inhibit these hikes, so we may opt to hike around Lake Matheson and to the Blue Pools near Haast Pass instead. From Franz Josef, we'll travel down the coast through lush forest and then inland to Makarora, a small village bordering Mt. Aspiring National Park, with incredible views of the snow-capped mountains.

Heli-hike option (extra fee applies):

An outrageously scenic alternative to this afternoon's hike is to heli-hike on Franz Josef Glacier itself. After being fitted with crampons, ice axes and so on, you'll board a modern turbine helicopter and fly towards the highest peaks of the Southern Alps, landing on the glacier at 1300 metres (4265 feet) above sea level. Led by specialist glacier guides, you'll hike through the grand ice formations of the glacier, checking out its crevasses, seracs and tunnels – no previous experience is required! The constant movement of the glacier means every day is different, so your guides will cut steps in the ice and make sure you make the most of the conditions. At the end of your hike on the ice, you'll take another helicopter ride out of the mountains and back to civilization. The heli-hike is extremely popular and must be reserved at time of booking only. Please note also there is a weight limit of 115kg (250 pounds). *Accommodation: Wonderland Lodge, Makarora. Includes breakfast, lunch and dinner.*

DAY 8 HIKE ROCKY MOUNTAIN

7km/2-3 hours hiking

The landscape this morning changes rapidly from dense beech forest to semi-arid mountainous terrain. You'll hike the Rocky Mountain track today, a spectacular circuit through an area carved out by Ice Age glaciers, with native forest and shrubland. Enjoy lunch after your hike in Wanaka before a short but dramatic journey over the Cardrona

Saddle to Queenstown on the shores of Lake Wakatipu, our base for the next couple of days. *Accommodation: Heritage Hotel, Queenstown. Includes breakfast and lunch.*

DAY 9 FREE DAY IN QUEENSTOWN

Queenstown is the adventure capital of New Zealand (if not the world!) and all the comforts of civilization are packed into this tiny resort town: restaurants galore, sidewalk cafés, stylish lounge bars, day spas and boutiques. You'll also find incredible optional activities here including horse trekking, a gondola, kayaking, fishing, winery tours, hang gliding, mountain biking, bungee jumping, jet boating and skydiving, as well as some great hiking opportunities. Or you can just soak up the atmosphere or lounge about reading a book. Your guides will happily share their favorite haunts and point you in the right direction for your free day today. *Accommodation: Heritage Hotel, Queenstown. No meals included.*

DAY 10 KEPLER TRACK

9.5km/2-3 hours hiking

This morning we'll make our way around Lake Wakatipu, leaving behind the towering Remarkables, and head west to the small town of Te Anau, the gateway to Milford Sound. This afternoon we'll take a hike on the famous Kepler Track, one of New Zealand's Great Walks - we follow the track through mountain beech forest and along the Wainu River. It's an awesome hike with spectacular views! Tonight we'll stay on the edge of Lake Te Anau, enjoying the scenery and the delicious local fare.

Accommodation: Matai Lodge, Te Anau. Includes breakfast, lunch and dinner.

DAY 11 MILFORD SOUND CRUISE - HIKE KEY SUMMIT

2-3 hours cruise and 3.5km/3-4 hours hiking

It's an early start this morning as we set off for our largest and perhaps most spectacular national park, Fiordland. We'll take a short drive through the Homer Tunnel and emerge at the top of a spectacular glacier-carved valley for a memorable descent to the shore of Milford Sound. Rudyard Kipling rated this fiord as the eighth natural wonder of the world and it is truly breath-taking, with steep granite walls plunging over a thousand meters to the Tasman Sea and waterfalls cascading into deep inky water. We'll jump on board the first boat cruise of the day, where we'll have the water to ourselves, as we gaze in wonder at the waterfalls tumbling down enormous vertical rock faces all around and journey right out to the entrance of the fiord. We may be lucky enough to encounter the friendly fur seals and dolphins that are sometimes in the area. After the cruise, we'll enjoy a tasty lunch before heading out to explore more of Fiordland's wilderness on foot. We'll hike part of the Routeburn Track for unsurpassed views of the Hollyford Valley, as well as Lake Marian and Mt. Christina, before making our way back to Te Anau for the night. *Accommodation: Matai Lodge, Te Anau. Includes breakfast, lunch and dinner*

DAY 12 LINDIS PASS - CYCLE ALPS TO OCEAN TRAIL

24km/ 2 hours cycling

After an early breakfast, we'll head back through Queenstown and head North, driving through the tussock-country of Lindis Pass to Lake Pukaki, where you'll hop on a bike and ride a portion of the Alps to Ocean Trail, following the well-groomed trail around the alpine lake with views across to the magnificent Aoraki Mount Cook, passing a range of native plants including Kowhai (with brilliant yellow flowers, popular with endemic Tui birds), flax and tussocks. The trail then cuts through farmland across the Mackenzie Country basin and we'll make our way back to Twizel. We'll bike straight to our accommodation for our last two nights, with stunning views stretching across the Southern Alps. We're in the Aoraki Mackenzie International Dark Sky Reserve, with light pollution strictly controlled in the area, so it's the ideal spot to stargaze!! *Accommodation: A variety of Lodgings, Mackenzie Country. Includes breakfast, lunch and dinner.*

DAY 13 AORAKI MT COOK NATIONAL PARK

Mueller Ridge 7.2km/5-6 hours or Hooker Glacier 9km/3-4 hours hiking

Mt. Cook, named Aoraki or 'cloud piercer' by South Island Maori, is the highest mountain in New Zealand. Directly opposite the mountain, we'll set off on a stunning day hike to the main ridge above Mueller Glacier. It's a challenging hike, but you'll remember the view of the glacier and the surrounding peaks forever! The weather conditions are very important in this area, as it's a true alpine climate notorious for Page 8 / 12 sudden weather shifts. If we aren't able to do the Mueller Glacier hike, or you'd like to take it a little easier, there's an impressive hike up to a glacial lake (complete with icebergs!) at the base of the Hooker Glacier. Then you'll head back to your accommodation for the last night of your adventure, where we'll enjoy a celebratory dinner together and watch the sun set over the Southern Alps. *Accommodation: A variety of Lodgings, Mackenzie Country. Includes breakfast, lunch and dinner.*

DAY 14 DEPART FOR HOME

After breakfast you'll head to Christchurch, arriving in time for afternoon flights. We hope you'll leave refreshed and invigorated from the good food, exercise, rest, and great times you'll have had with us in New Zealand! If you're keen to extend your trip and see what the North Island has to offer (Maori culture, pristine beaches and geothermal areas) check out the 5-day North Island Adventure or the 8-day Ultimate North Island. *Includes breakfast and lunch.*

LIFE ON THE TRAIL

GRADE C

- Up to 6 hrs of physical activity per day.
- At times carrying a backpack of 5-6kgs.
- Tracks generally in good condition.
- Altitude gains of up to 600m on harder days.
- No hiking experience necessary.
- Reasonable standard of fitness required.

You don't have to have any outdoor experience to take this trip and you don't need to be a serious cyclist to enjoy the rides available. There are plenty of active options, but if you'd rather just laze around one day, your guide can make this happen for you. You don't need to be young or really fit - but this trip has a lot of action at a reasonable pace, and is not designed for couch potatoes. Every one of the days on the trip will be unforgettable. Some physical preparation is recommended: brisk walking, jogging or cycling a couple of times a week during the month or so before you arrive to enable you to make the most of your trip.

GUIDES AND SAFETY

Experienced Kiwi guides are used who are well-versed in the local culture, flora and fauna, and history. They are trained in Outdoor First Aid. You will have two guides on this trip to take good care of you - a Lead Guide who is in charge of your trip and does the driving and a Second Guide to assist the Lead Guide and make sure you're well fed.

FOOD

Almost all meals are included on the South Island Adventure (refer to itinerary for meals included). A wide variety of cuisine is used - sometimes you will dine out, and sometimes dine in. Breakfasts when there is an early start will generally consist of cereal, yoghurt, fruit, toast, coffee and juice. When there is more time, your guide will make pancakes and full cooked breakfasts. Lunches are usually picnic style - sandwiches, salad and fruit, or maybe a barbecue - in some beautiful spot. Dinners are usually two - or three - course meals, covering a range of styles. Vegetarians and people with particular dietary needs or preferences are easily catered for.

The second guides primary responsibility when not guiding is cooking up great meals. Their cooking skills will astound you, as you enjoy a traditional kiwi roast dinner at the shearer's quarters, or French toast and sugared bananas at Punakaiki. When the group eats out, there is no budget or restrictions on what to order. You may find the meals are a real highlight of your trip!

TRANSPORT

New Zealand is a small country - about 1000 miles from top to bottom, and only about 150 miles wide. This trip focuses on spending as little time as possible sitting in vehicles so that you can spend your time on outdoors-oriented adventure. The average driving time over the period of this trip is just over two hours a day, and as much time as possible is spent in the outdoors. Modern, comfortable minibuses are used. Make no mistake - this trip is not a typical bus tour! Vehicles are fitted with good stereo wsystems, and you will hear plenty of New Zealand music.

ACCOMMODATION

The bed & breakfasts, farmstays, lodges, motels, and the occasional mountain hut you will stay at have been carefully chosen because of their location and local flavour. Many clients have said that one of the highlights of their trip was meeting and getting to know the Kiwis who were their hosts around New Zealand. Somewhere comfortable to relax after the day's activities is important. You won't have to camp, although gear can be provided if you'd like to sleep under the stars. At times, alternative accommodation to the itinerary may be used.
