"AN AMAZING EXPERIENCE"

A helihike on Kepler, Milford sound walk and cruise, and the Routeburn track. Brilliant guides ...explaining about the hills, woodlands and wildlife. Being guided made a real difference and I can't recommend this enough.

"GREAT WALKS - MUST DO!!!"

It was honestly some of the best days of my life! Everything was organized really well, the trip leaders were knowledgeable and relatable and did their absolute best to make the experience great for everyone. Jeff, Jane, and Madeline did such an amazing job, couldn't have asked for better!!

ITINERARY

DAY 1 TE ANAU

Welcome to the gateway of one of the most awe-inspiring places on Earth, Fiordland National Park!

Check-in and settle into your accommodation at your own pace. Whether you've travelled from near or far, we hope the journey here was smooth and filled with anticipation. After check-in, take some time to unwind and explore the local surroundings. Maybe take a leisurely stroll along the lakefront, enjoy a meal at one of the nearby restaurants, or simply relax and soak up the peaceful atmosphere, you're on Fiordland time now.

If you're keen to stretch your legs, there are some lovely short walks nearby or a few great spots to catch the sunset. Rest well tonight, your adventure begins soon! *Accommodation: Distinction Luxmore, Te Anau.*

DAY 2 KEPLER TRACK

Up to 6km (4 miles), 3 hours hiking, elevation +/- 50m, or heli-hike* up to 16km (10 miles), 6 hours hiking, elevation +/- 1000m

You'll be collected from your hotel to begin your hiking adventure with a morning briefing, where your guide will outline the itinerary and ensure everyone is well prepared. It's a great chance to meet fellow hikers, ask questions, and organise any extra gear you may need, such as rain jackets or walking poles, available on loan at no extra cost.

Start your adventure with a scenic and relaxed day exploring the Kepler Track by land and water. Begin with an exhilarating jet boat ride along the Waiau River - famously featured in *The Lord of the Rings* - followed by a peaceful cruise across Lake Manapouri, framed by ancient beech forest and sandy coves.

From there, enjoy a 3-hour guided walk on a flat, well-maintained section of the Kepler Track, featuring native forest, wetlands, lake views, and swing bridges. *Accommodation: Distinction Luxmore, Te Anau. Includes breakfast and lunch.*

Want more? Heli-Hike on the Kepler Track

Instead of the jet boat trip, you can experience an exciting heli-hike on the Kepler Track, perfect for those seeking a more challenging adventure. Your journey begins with a short spectacular helicopter flight, soaring over hidden lakes before landing at Luxmore Hut, from here, the hike starts in the alpine area, offering expansive views before descending through majestic beech forest.

As you descend, witness the dramatic changes in the landscape as altitude and weather conditions shift, creating a stunning variety of flora. The track leads you towards Lake Te Anau, meandering through native ferns before finishing at the sandy beach of Brod Bay, where a water taxi will transport you back to Te Anau Township.

This more demanding option provides a rewarding mix of alpine and forest terrain, ideal for experienced hikers wanting to experience the rugged beauty of Fiordland. Select your choice at the time of booking.

DAY 3 MILFORD TRACK

Up to 11km (6.5 miles), 4 hours hiking, elevation +/-50m (160ft)

Start your day early with a scenic journey from Te Anau to Milford Sound, a spectacular drive in its own right, the set out on a guided walk to Giant Gate Waterfall on the world-renowned Milford Track.

From Milford Sound, a short boat ride takes you across to Sandfly Point, the starting point of your walk. The trail gently follows the cascading Arthur River through lush rainforest, leading to the impressive Giant Gate Falls – best viewed from the swing bridge that spans the river below. Along the way, your guide will point out native flora, ancient forest giants, vibrant mosses and ferns, and the unique birdlife that call this special environment home.

After the walk, your Milford Sound experience continues with a 2-hour small boat nature cruise. With both indoor and outdoor viewing areas, you'll enjoy up-close views of sheer cliffs, tumbling waterfalls, glaciers, rainforest, and the majestic Mitre Peak – a truly unforgettable Fiordland experience. *Accommodation: Distinction Luxmore, Te Anau. Includes breakfast and lunch.*

DAY 4 ROUTEBURN TRACK

Up to 7 km (4.5 miles), 5 hours hiking, elevation +/- 400m (1300ft)

Enjoy your final hiking day with a scenic journey along the spectacular Milford Road, including time for short walks and photo stops at key viewpoints and natural highlights on the way to the main mountain divide.

The main event is a guided walk to Key Summit on the renowned Routeburn Track, one of New Zealand's Great Walks. This stunning trail climbs through lush temperate rainforest before emerging into a unique alpine environment rich with specialised herbs and plant life. At the summit, take in breathtaking panoramic views of snow-capped peaks, alpine tarns, and glacier-carved valleys draped in native forest.

Lunch is enjoyed on the summit or by the peaceful shores of Lake Howden. Walking in a small group, you'll gain a deeper appreciation for this remarkable landscape with insights and stories shared by your knowledgeable guide. *Accommodation: Distinction Luxmore, Te Anau. Includes breakfast and lunch.*

LIFE ON THE TRAIL

GRADE B

The Great Walks follow mostly well-formed tracks with steps or zigzags on steeper sections. This trip is suitable for most ages (8+) who can comfortably walk 3 to 6 hours, including hills. The Kepler Heli-hike is the most challenging day, mainly due to sustained downhill sections that can affect knees. Your guide will plan each day with the landscape, weather, and group fitness in mind to ensure the best experience. A good level of fitness, including hill training, is recommended. You will get the most out of this trip if you can walk for 4 hours on varied, sometimes rough or rocky terrain. While we can accommodate most medical conditions, it is important to let your guide know about these in advance, as existing aches and pains can be aggravated.*

* This trip is not recommended for guests with neurological conditions affecting stability, mobility, or decision making; recent knee injuries or surgery; or moderate to severe joint or heart conditions. It may also not be ideal for those who prefer a faster or more demanding pace, or who would rather hike independently than in a group. We're always happy to tailor these Great Walks on a private basis to meet most needs. If any of these apply to you, please contact us to discuss booking a private trip.

TRANSPORT

You will be collected from your Te Anau hotel each morning and transported to your hikes using quality modern vehicles, fitted out for touring requirements.

*Though we attempt to provide a Lakeview room, on occasion this may not always be available so we will provide a Run of House room, and waitlist for the Lakeview room. Limited availability, on request only.

GUIDES AND SAFETY

Your safety is always our priority. Your guides are trained in first aid plus emergency procedures and will carry a first aid kit and emergency equipment. Communication outside Te Anau and on our walks is limited. The guides do have communication available to them in the unlikely case of an emergency. In some cases, you may have more than one guide on a trip.

FOOD

Your breakfast is included each morning and served at your hotel before the day's activities. We'll provide a hearty packed lunch each day (excluding water), which is generally enough to keep you going on the trail, but you're welcome to bring extra hiking snacks if you'd like. Dinner is at your own cost and plans each evening, giving you the flexibility to choose where and what you'd like to eat, from local restaurants to casual cafes, so you can enjoy the area's dining options at your own pace
