ITINERARY

DAY 1 JOIN TOUR IN AUCKLAND - MT TE AROHA

6km/3-4 hours hiking

You'll be collected in Auckland, leaving the city behind and driving South to the township of Te Aroha. The town is one of the country's top tourist spots, celebrated for its naturally hot soda waters and Mokena geyser. Today's hike winds its way amongst tree roots and mossy rocks, and across several bridged river crossings to a lookout platform at the base of the Wairere Falls on the Okauia fault line. Afterwards, we'll drive to Rotorua, considered the heartland of New Zealand's Māori culture and the spiritual home of New Zealand's tangata whenua (people of the land). *Accommodation: Sudima Hotel, Rotorua. Includes lunch and dinner.*

DAY 2 WHAKAREWAREWA FOREST - TE PUIA

6.5km/4 hours hiking

This morning, we'll head out to hike Rainbow Mountain, aptly named due to the unusual colour of the soil. We'll head up through the native forest past an impressive crater lake for panoramic views over the volcanic plateau. Okere Falls is our next stop, with a short hike along the track where we'll view the magnificent waterfalls from viewing platforms, and we could be lucky enough to catch white water rafters making their way down the Kaituna River. If you prefer not to hike today, you can stay and soak in the local mineral spas or explore Rotorua. After re-grouping from the morning's activities, we'll visit Te Puia which is famed for the Te Whakarewarewa geothermal valley – a place of gushing waters, steaming vents, boiling mud pools, and impressive geysers. Tonight, we'll enjoy a cultural performance by members of the Te Arawa tribe and share a traditional feast. A hangi, as it's known, is prepared by wrapping food and burying it in the earth to cook over hot stones. This healthy cooking method is similar to steaming and imparts a wonderful flavour. *Accommodation: Sudima Hotel, Rotorua. Includes breakfast, lunch and dinner.*

DAY 3 HUKA FALLS - TONGARIRO RIVER

3km/1 hours hiking & 3km/1 hour hiking

We head south out of Rotorua today to hike Huka Falls, we'll follow the track along New Zealand's longest river, the Waikato, for a spectacular view of the Falls and maybe a dip in some natural hot springs. Traveling further south, we follow the shores of Lake Taupo, an enormous volcanic caldera and the site of the world's largest eruption in the last 70,000 years. After arriving at Turangi and enjoying lunch, we'll head out to bike a loop track, winding in and out of the beautiful native bushland, farmland and the Tongariro River, New Zealand's most famous trout fishing river. With constantly changing scenery, this well-marked, treecovered trail provides ample opportunities to spot native birdlife or to glimpse our rare Whio (Blue Ducks) who make their homes on the riverbanks. We'll stay on the banks of the Tongariro River tonight.. *Accommodation: Creel Lodge, Turangi. Includes*

breakfast, lunch and dinner.

DAY 4 TONGARIRO CROSSING - HOT POOLS

20km/7-8 hours hiking

Just south of Turangi are three massive volcanoes (Tongariro, Ngauruhoe and Ruapehu) – located in Tongariro National Park, New Zealand’s oldest national park and the fifth oldest in the world. Today we’ll hike to the Taranaki Falls and Silica Rapids around the base of Mount Ruapehu, both of these hikes showcase a variety of flora from native beech forest to sub-alpine shrublands, each culminating with a spectacular view; Taranaki Falls is 20 meters (65 feet) high and Silica Rapids has water cascading down a series of creamy white terraces. For more experienced hikers, we have the option to complete the Tongariro Alpine Crossing and this full-day hike is challenging and unforgettable! The trail takes you through arid volcanic terrain that includes emerald lakes, cold mountain springs, lava flows, active craters, and steam vents – it’s unlike anything else in New Zealand. The Tongariro Alpine Crossing is a more challenging hike in winter (from May until September) with alpine conditions such as snow and ice, and if the weather isn’t suitable for the crossing, we’ll all hike the Taranaki Falls and Silica Rapids. Your option must be confirmed at time of booking. Tonight, you can bathe in some natural thermal springs before having a celebratory dinner for our last night together. *Accommodation: Creel Lodge, Turangi. Includes breakfast, lunch and dinner.*

DAY 5 WAITOMO CAVES - DEPART FOR HOME

2 hours cave tubing

For our last day together, we’ll head to the spectacular Waitomo Caves for a morning of caving. For those keen, you’ll head down to explore an underground cave system. You’ll be fitted with a wetsuit, helmet, headlamp and rubber tube in order to float down a subterranean stream, slide down waterfalls and at one point, switch off your headlamp to check out the incredible glowworms that live on the limestone ceiling of the cave. A shower and some hot soup complete the picture. Alternatively, take in the subterranean beauty on foot with a guided walk through Ruakuri cave system where you’ll learn all about the geological significance of the area. Afterward, we’ll head back to Auckland where your trip finishes. We’ll have you at the airport in time to catch evening flights back home. *Includes breakfast and lunch.*

Cave Tubing at Waitomo (wet): Waitomo is renowned for its caves and what an awesome way to experience this region by really getting in it! We’ll provide all the gear, such as a head-lamp, helmet, wet-suit and rubber tubes, along with and a specialist guide this day and head off on a subterranean adventure through the Ruakuri Caves. You’ll take leaps of faith over cascading waterfalls, and float serenely down an underground river as you enjoy the glow-worms above you Walking Ruakuri Caves (dry): A dry option today is wandering through the Ruakuri Cave at Waitomo. Journey down through the spectacular spiral entrance, and see shawl-like limestone formations, crystal tapestries, stalactites & stalagmites - as well as glowworms.

LIFE ON THE TRAIL

GRADE B

- Average of 4-5 hrs physical activity per day.
- At times carrying small backpack of 4-5kgs.
- Tracks generally in good condition.
- Altitude gains of up to 600m on harder days.
- No hiking experience necessary.
- Reasonable standard of fitness required.

You don't have to have any outdoor experience to take this trip and you don't need to be a serious cyclist to enjoy the rides available. There are plenty of active options, but if you'd rather fish or just laze around one day, your guide can make this happen for you. You don't need to be young or really fit - but this trip has a lot of action at a reasonable pace, and is not designed for couch potatoes. Every one of the days on the trip will be unforgettable. Some physical preparation is recommended: brisk walking, jogging or cycling a couple of times a week during the month or so before you arrive to enable you to make the most of your trip.

GUIDES AND SAFETY

Experienced Kiwi guides are used who are well-versed in the local culture, flora and fauna, and history. They are trained in Outdoor First Aid. You will have two guides on this trip to take good care of you - a Lead Guide who is in charge of your trip and does the driving and a Second Guide to assist the Lead Guide and make sure you're well fed.

FOOD

Meals are provided as indicated in italics at the bottom of each day's itinerary above. On days where you start early, breakfast consists of cereal, yoghurt, fruit, toast, coffee and juice. When there is more time, your guide will make pancakes and full cooked breakfasts. Lunches are usually picnic style - sandwiches, salad and fruit, or maybe a barbecue - in some beautiful spot. Dinners are usually two- or three-course meals, covering a range of styles. Vegetarians and people with particular dietary needs or preferences are easily catered for.

TRANSPORT

New Zealand is a small country - about 1000 miles from top to bottom, and only about 150 miles wide. This trip focuses on spending as little time as possible sitting in vehicles so that you can spend your time on outdoors-oriented adventure. The average driving time over the period of this trip is just over two hours a day, and as much time as possible is spent in the outdoors. Modern, comfortable minibuses are used. Make no mistake - this trip is not a typical bus tour! Vehicles are fitted with good stereo systems, and you will hear plenty of New Zealand music.

ACCOMMODATION

Both of the places you'll be staying on the North Island Adventure are comfortable waterside lodges with modern facilities. Rooming is based on twin-share, although single rooms are available upon request. For the standard price of this tour you will get a shared room which means that if you don't have a travel partner you will be matched up with another person of the same gender to share a room. If there is not roommate for you, you will not be charged a single supplement.

If you are travelling on your own, and you would prefer not to twin-share, you can request your own private room, dependent on space availability.
